ABOUT US!

Our company was born of a mother's desperate search for healing. When Kathy Garber was informed by doctors that her young son would need dialysis by the age of 3 and a transplant by 5, she immediately went to work to find an alternative to dialysis and a kidney transplant. She went on to do what the medical community said was impossible at the time. She unintentionally formed what would later become Mountain Meadow Herbs as a result of her deep desire to help her son and family.

At our headquarters in beautiful, Northwest Montana, fresh and pure extracts of individual herbs are made daily. Mountain Meadow Herb's proprietary processes for extracting herbs have been researched, tested, and refined over time so that the final result is a pure, golden gift from nature. We currently combine over 100 proprietary blends and formulas that target and support specific organs and body systems. These powerful **liquids are up to 70% more effective** than tablets or encapsulated herbs. Absorption is almost instant, and the benefits can be seen very quickly in many instances.

I used this around 36-37 weeks for everyday and when I gave birth I pushed my child out in 15 pushes and ZERO TEARS. This was my first child btw. I was only in active labor for 6 hours . HIGHLY RECOMMEND THIS PRODUCT!!

MINIMUM PRICING FOR ADVERTISEMENTS AND SALES POLICY AND DIRECTIVE

Effective immediately, a Minimum Advertised Price (MAP) and Sales Policy and Directive for all Mountain Meadow Herbs (MMH) products is implemented. The prices set by MMH shall be in United States dollars; and in foreign countries the price shall be determined by international currency exchange rates then in effect.

Since 2001 MMH has built a valuable brand name, known to and sought by the public. By establishing a MAP, the brand name is protected, and all resellers will assist in maintaining the good name. It is in the best interest of MMH and all retailers to be subject to a policy of advertising and sales which is even-handed and straightforward. Internet advertisement and sales may undermine a product and its name and may adversely affect resellers by unfair competition. Customer loyalty is important to all resellers and MMH seeks to assist retailers in maintaining customer loyalty by imposing a MAP by this directive.

Placement of products with your company is contingent on your company accepting the terms set forth below and returning the MAP Agreement Confirmation form which is provided to you for signature.

You are advised that a breach of the following policy by your company, intentionally or negligently, without regard to the number of violations, may result in termination of your relationship with MMH, with or without advance notice, and MMH products may no longer be shipped to your company. Your company's cooperation is expected for the good of all retailers of MMH products.

Your company shall abide by the following in its advertisements and sales:

1. From time to time, MMH shall provide your company with a Manufacturer's Suggested Retail Price (MSRP) for each product. Upon receipt of the MSRP, all advertisements and sales by your company of each product must be set at or above the MSRP or at a price which is never 10% less than the MSRP, subject to the exception set forth below. The advertisements and solicitation of sales of products is all inclusive, meaning placement of material in or on flyers, posters, coupons, mailers, inserts, newspapers, magazines, printed or mail order catalogs, use of social media, blogs, or other internet applications or services, television, radio, billboards and all other means of reaching the public.

2. The exception is limited to advertisements and sales which are displayed to customers who are physically in your store or to customers who have consented to be on your email database for solicitations. You control the price of products sold to such customers. However, in marking prices, the original price placed on each product shall not reflect a "strike-through" or other type of alteration to show a price that existed prior to the date a new price is placed on each product.

These statements have not been evaluated by the Food and Drug Administration (FDA). This information is intended to help with product selection only. It is not intended to diagnose, treat, prevent or cure any disease or other complication.

3. You shall honor and not disparage any and all trademarks and/or copyrights held by MMH. Use of advertising materials supplied to you by MMH shall conform to directions of use sent with the advertising materials, with no exceptions.

4. You may use phrases such as “we have the lowest prices,” “we will meet or beat any competitor’s price,” “please call us for a price” so long as the other aspects of the solicitation do not show a price below 10% of the MSRP. Use of websites for sales, such as Amazon or E-Bay or similar auction web sites which use “buy it now” or “opening bids” or “reserved offers” buttons or links, must always reflect a price that is greater than 10% of the MSRP.

5. Should your company wish to have a promotion of MMH products which would be contrary to this policy, you must first present your promotion concept to MMH as to pricing and length of sale and otherwise negotiate for the written consent of MMH to your promotion.

6. In providing you with the MSRP listings, from time to time, MMH may wish to identify certain products for special pricing with your company authorized to participate in a global sale of those identified products at a special set price. The set price must be honored by you for the length of time for the sale identified by MMH.
