ABOUT US

Our company's journey began with a mother's determined quest for healing. When Kathy Garber learned that her young son faced the prospect of dialysis at age 3 and a kidney transplant by age 5, she embarked on a mission to find an alternative. Against medical expectations at the time, Kathy succeeded in finding a solution. This endeavor unintentionally laid the foundation for what would evolve into Mountain Meadow Herbs, driven by her deep commitment to her son and family.

Located in the picturesque Northwest Montana, our headquarters crafts fresh and pure extracts of individual herbs daily. Our proprietary herb extraction processes have been meticulously researched, tested, and refined over time to deliver a pure, golden essence from nature. Currently, we offer over 50 proprietary blends and formulas designed to support specific organs and body systems.

Our potent liquid formulations are known to be up to 70% more effective than traditional tablets or encapsulated herbs. They are quickly absorbed, with noticeable benefits often seen in a short time span.

MINIMUM PRICING FOR ADVERTISEMENTS AND SALES POLICY AND DIRECTIVE

Effective immediately, a Minimum Advertised Price (MAP) and Sales Policy and Directive for all Mountain Meadow Herbs (MMH) products is implemented. The prices set by MMH shall be in United States dollars; and in foreign countries the price shall be determined by international currency exchange rates then in effect.

Since 2001 MMH has built a valuable brand name, known to and sought by the public. By establishing a MAP, the brand name is protected, and all resellers will assist in maintaining the good name. It is in the best interest of MMH and all retailers to be subject to a policy of advertising and sales which is even-handed and straightforward. Internet advertisement and sales may undermine a product and its name and may adversely affect resellers by unfair competition. Customer loyalty is important to all resellers and MMH seeks to assist retailers in maintaining customer loyalty by imposing a MAP by this directive.

Placement of products with your company is contingent on your company accepting the terms set forth below and returning the MAP Agreement Confirmation form which is provided to you for signature.

You are advised that a breach of the following policy by your company, intentionally or negligently, without regard to the number of violations, may result in termination of your relationship with MMH, with or without advance notice, and MMH products may no longer be shipped to your company. Your company's cooperation is expected for the good of all retailers of MMH products.

YOUR COMPANY SHALL ABIDE BY THE FOLLOWING FOR ITS ADVERTISEMENTS AND SALES:

1. From time to time, MMH shall provide your company with a Manufacturer's Suggested Retail Price (MSRP) for each product. Upon receipt of the MSRP, all advertisements and sales by your company of each product must be set at or above the MSRP or at a price which is never 10% less than the MSRP, subject to the exception set forth below. The advertisements and solicitation of sales of products is all inclusive, meaning placement of material in or on flyers, posters, coupons, mailers, inserts, newspapers, magazines, printed or mail order catalogs, use of social media, blogs, or other internet applications or services, television, radio, billboards and all other means of reaching the public.
2. The exception is limited to advertisements and sales which are displayed to customers who are physically in your store or to customers who have consented to be on your email database for solicitations. You control the price of products sold to such customers. However, in marking prices, the original price placed on each product shall not reflect a "strike-through" or other type of alteration to show a price that existed prior to the date a new price is placed on each product.
3. You shall honor and not disparage any and all trademarks and/or copyrights held by MMH. Use of advertising materials supplied to you by MMH shall conform to directions of use sent with the advertising materials, with no exceptions.

These statements have not been evaluated by the Food and Drug Administration (FDA). This information is intended to help with product selection only. It is not intended to diagnose, treat, prevent or cure any disease or other complication.

4. You may use phrases such as “we have the lowest prices,” “we will meet or beat any competitor’s price,” “please call us for a price” so long as the other aspects of the solicitation do not show a price below 10% of the MSRP. Use of websites for sales, such as Amazon or E-Bay or similar auction web sites which use “buy it now” or “opening bids” or “reserved offers” buttons or links, must always reflect a price that is greater than 10% off the MSRP.
5. Should your company wish to have a promotion of MMH products which would be contrary to this policy, you must first present your promotion concept to MMH as to pricing and length of sale and otherwise negotiate for the written consent of MMH to your promotion.
6. In providing you with the MSRP listings, from time to time, MMH may wish to identify certain products for special pricing with your company authorized to participate in a global sale of those identified products at a special set price. The set price must be honored by you for the length of time for the sale identified by MMH.
